**DIRECTOR'S REPORT:**

- Director Van Cleve announced that Winter/ Spring programming opened up for registration on December 15<sup>th</sup>, and that Camp registration opened up for HISRA residents on February 6<sup>th</sup>, and HISRA non-residents on February 13<sup>th</sup>. A camp parent information night was held at the end of January for new families to attend to find out more about HISRA camps. HISRA is continuing to assess camp waitlists and serve as many residents as possible.

Trustee Dickerson asked if the week of priority registration for HISRA residents created more work than normal, to which Director Van Cleve replied that there were a few glitches on RecTrac, but registration otherwise went well.

Trustee Dickerson then asked if there were any calls/ complaints about camp priority registration, and Director Van Cleve mentioned that there was one parent of a long-time participant from Metamora who has worried about her son not getting in to camp, as they are non-residents. This parent is advocating for Metamora Park District to become a

HISRA Member Park District. Trustee Dickerson mentioned that it is a similar situation to Dunlap – as many of HISRA's participants live in the Dunlap area. Director Van Cleve noted that since HISRA does not provide Member District Transportation to camps, Metamora would be the only district without paratransit – something which many HISRA participants rely on to get to programming and camps.

- Director Van Cleve reported that FOCUS participants have begun their production of merchandise to sell at the Picket Fence in Chillicothe and the Moonlight Coalition Store in the airport. Items will have a QR code on them so that FOCUS participants and staff can see where in the world their merchandise has travelled. The items were made using a sublimation printer, heat press, Cricut and original artwork by participants. The income made by selling merchandise at these stores will help fund some of the costs associated with the FOCUS program. Director Van Cleve gave her thanks to Shelby Martin and Ginger West for making this project happen.
- Special Olympics Basketball advanced to state, with Team Lightning and a Basketball Skills athlete competing in the State Championships in March. Special Olympics Aquatics and Track and Field commenced training this month.
- HISRA is seeking to hire for a number of seasonal and year-round positions, due to camp starting in a few months.

Trustee Dickerson asked if there were any new updates on the roof repair of the HISRA building. Director Van Cleve responded that the roofing company is waiting for drier, warmer weather before beginning the project, but is otherwise on schedule.

Trustee Dickerson mentioned that he is helping HISRA write a grant for the Morton County Board to fund equipment for HISRA's Special Olympics training program.
