HISRA FEE LANGUAGE CHANGE

Attention HISRA Participants and Families!

We would like to inform you of an important change in the language we use for our program fees. Going forward, we will be updating our terminology from Resident/Non-Resident (R/NR) to In-District/Out-of-District (In Dist/Out of Dist). This change better reflects our service areas and eligibility for fee structures based on your home park district.

- In-District: Refers to individuals who reside within the boundaries of Chillicothe, Morton, Peoria, or Washington Park Districts
- Out-of-District: Refers to individuals residing outside these park district boundaries

HOW CAN I CHECK IF I AM IN-DISTRICT?

- For Peoria County residents: Go to https://propertytax.peoriacounty.gov to check if your address pays taxes to Peoria or Chillicothe Park Districts.
- For Tazewell County residents: Go to https://tazewellil.devnetwedge.com to check if your address pays taxes to Washington or Morton Park Districts.
- For Woodford County residents: Go to https://woodfordil.devnetwedge.com to check if your address pays taxes to Washington Park District.

MEMBER DISTRICT SUMMER CAMP INCLUSION SERVICES

Did you know that HISRA offers Inclusion Services to Member District Summer Camps free of charge for HISRA in-district households? HISRA will provide an Inclusion Aide to the summer camp that you are registered and have requested assistance/ special accommodations for.

Our four member districts may have a summer camp that you would like your child to attend. If you are interested in availing of HISRA's Inclusion Services at either a Peoria, Morton, Chillicothe or Washington Park District summer camp, simply request that you will need special accommodations for your child to participate at camp at the time of registration, and get in touch with our Program Manager at HISRA.

We ask that you fill out an Inclusion Request Form, which is found on the Forms and Downloads page on our website, **www.hisra.org.** This form gives our staff the information that they need in order to ensure the camper's success and participation during summer camp.

GOAL

The goal of our Inclusion Services is to encourage the participants' success, participation and independence during member district programs, and to teach member district staff and fellow participants plans, communication and strategies in order for their program to become a wholly inclusive environment for all involved.

STAFF

- All staff are subject to background checks prior to employment with HISRA.
- During the summer, our Inclusion Services Program will have one Inclusion Specialist and several Inclusion Aides throughout our member district camps and programs.
- Each Inclusion Services employee has gone through online and in-person training prior to working at HISRA.

If you are interested in having a loved one participate in HISRA's inclusion services, please call our office at (309) 691–1929. To ensure that our staff are well–prepared, HISRA requests at least two weeks' notice from parents or guardians prior to the start date of the program in which inclusion services are requested for."

REGISTRATION GUIDELINES FOR CAMP

IN-DISTRICT PRIORITY REGISTRATION

Any participant who resides within HISRA's four member park districts (Peoria, Chillicothe, Washington and Morton Park Districts), will get one week of priority registration from February 4th through February 10th. Any participant who resides outside of the above four member districts is considered Out-Of-District, and will be eligible to register for summer camps on or after Tuesday, February 11th.

If you are a HISRA In-District household:

On Tuesday, 2/4/25, HISRA will begin taking in-district priority registrations for Camp Free To Be, Summer Daze, and Bicycle Brews at 8:30am, both online on WebTrac, and in-person at our offices. Please note that any registrations for camp received prior to 2/4/24 will be placed, unopened, in a folder in our front office. On 2/4/24, HISRA staff will begin to randomly enter registrations from this folder. Due to the high demand and limited space in our programs, we cannot guarantee spaces for registrations that have been received prior to the 2/4/24 in-district priority registration opening date. Please note that out-of-district households will not be eligible for priority registration during this time, but will be able to register on or after February 11th, when camp open registration begins.

If you are a HISRA Out-Of-District household:

On Tuesday, 2/11/25, HISRA will begin taking all registrations for Camp Free To Be, Summer Daze, and Bicycle Brews at 8:30am, both online on WebTrac, and in-person at our offices. Please note that any out-of-district registrations for camp received prior to 2/11/25 will be placed, unopened, in a folder in our front office. Due to the high demand and limited space in our programs, we cannot guarantee spaces for out-of-district registrations that have been received prior to the 2/11/25 camp open registration opening date.

If you are new to HISRA:

First of all, we are so excited that we are going to see a new face this summer! HISRA staff arrange and conduct an informal assessment of all new HISRA participants prior to program or camp participation. This is to ensure the safety and wellbeing of the participant during programming, but is also a great opportunity for us to get to know the participants and their family, and also for parents/guardians and the participant to ask staff questions about camp. We require all new campers to have completed their informal assessments prior to April 1st.

COMMUNITY-BASED

Both the Summer Daze and Bicycle Brews programs operate out of Bicycle Safety Town. While both programs are community based, they will also include both vocational educational components. Due to these educational components, Summer Daze and Bicycle Brews campers **must register for a minimum of 6 weeks.** HISRA staff will determine appropriateness for vocational programs.

Over the course of 8 weeks in June and July, Summer Daze and Bicycle Brews participants will run a donation-based coffee shop at Bicycle Safety Town in Peoria. This unique program not only gives them hands-on experience in customer service, teamwork, and time management, but also allows them to engage with the community in a meaningful way, building both their confidence and practical skills for future employment. This venture would not be possible without the tremendous support of Zion Coffee Co., who supplies fresh coffee, training and equipment to this program.

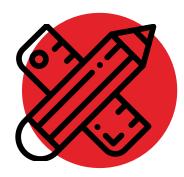

HISRA SUMMER DAZE (AGES 13-21)

Are you looking for a fun way to stay active this summer and make new friends and memories? Would you like to swim, hike and explore what Central Illinois has to offer? Then our Summer Daze program might just be for you! Summer Daze is designed for campers aged 13 – 21 who are independent in self care skills. Please speak to our Program Supervisor to determine camper eligibility. Space is limited, so be sure to sign up early! Campers will need to be able to keep up with the high-paced day that will consist of various physical activities such as walking, swimming, hiking, playing sports games, etc. Be sure to bring appropriate clothes and footwear to camp, as well as a drink and sack lunch daily. Summer Daze is a community-based camp that works on vocational and job skills training in a coffee shop setting at Bicycle Safety Town.

COMMUNITY-BASED CAMP

BICYCLE BREWS (AGES 16-21)

HISRA's Bicycle Brews program will focus on giving campers the tools needed to transition from the classroom to the world of employment. They will learn fundamental employment skills as well as specific skills needed to be employed in a coffee shop environment, with a program ratio of 1 staff to every 4 campers. The program will be taking 2–3 field trips each week that will be both social and educational in nature, and fun, of course! This program will be divided into 3 years, with 8 sessions per year, spanning 8 weeks in June and July. Campers will explore introductory vocational skills within the Bicycle Brews cafe setting.
