MEMBER DISTRICT SUMMER CAMP INCLUSION SERVICES

Did you know that HISRA offers Inclusion Services to Member District Summer Camps free of charge for HISRA in-district households? HISRA will provide an Inclusion Aide to the summer camp that you are registered and have requested assistance/ special accommodations for.

Our four member districts may have a summer camp that you would like your child to attend. If you are interested in utilizing HISRA's Inclusion Services at either a Peoria, Morton, Chillicothe or Washington Park District summer camp, simply request that you will need special accommodations for your child to participate at camp at the time of registration, and get in touch with the Program Supervisor at HISRA.

We ask that you fill out an Inclusion Request Form, which is found on the Forms and Downloads page on our website, **www.hisra.org**, **no later than 3 weeks prior to the program start date**. This form gives our staff the information that they need in order to ensure the camper's success and participation during summer camp.

GOAL

The goal of our Inclusion Services is to encourage the participants' success, participation and independence during member district programs, and to teach member district staff and fellow participants plans, communication and strategies in order for their program to become a wholly inclusive environment for all involved.

STAFF

- Our Inclusion Services staff is made up of seasoned HISRA staff members, and each has had previous experience working with youth.
- All staff are subject to background checks prior to employment with HISRA.
- During the summer, our Inclusion Services Program will have one Inclusion Specialist and several Inclusion Aides throughout our member district camps and programs.
- Each Inclusion Services employee has gone through online and/ or in-person training prior to working at HISRA.

Please note that participants must meet the program's minimum eligibility requirements and adhere to established behavior guidelines within the program.

Any participant who does not live in the above member districts will not be eligible to register for camp at this time. Please note that any registrations for camp received prior to 2/3/26 will be placed, unopened, in a folder in our front office. On 2/3/26, HISRA staff will begin to enter registrations from this folder. Due to the high demand and limited space in our programs, we cannot guarantee spaces for registrations that have been received prior to the 2/3/26 in-district priority registration opening date. Please note that out-of-district registrants will not be eligible for priority registration during this time, but will be able to register on or after February 10th, when camp open registration begins.

If you are a HISRA Out-Of-District household:

If you are new to HISRA:

First of all, we are so excited that we are going to see a new face this summer! HISRA staff arrange and conduct an informal assessment of all new HISRA participants prior to program or camp participation. This is to ensure the safety and wellbeing of the participant during programming, but is also a great opportunity for us to get to know the participants and their family, and also for parents/guardians and the participant to ask staff questions about camp. We require all new campers to have completed their informal assessments prior to April 1st, including waitlisted participants. Waitlisted participants will not be enrolled from the camp waitlist unless an assessment is conducted.

If your child is on a waitlist:

If your child is on a waitlist, HISRA staff assess waitlists on a weekly basis. Waitlisted participants must complete the assessment process in order for staff to evaluate admission to camp. Please call our office to schedule this assessment as soon as you can. Once the participant is pulled from the waitlist, payment arrangements must be made within two business days. In the event paperwork is not complete and/ or payment arrangements are not made, the participant will forfeit their spot in camp.

Both the Summer Daze and Bicycle Brews programs operate out of Bicycle Safety Town. While both programs are community based, they will also include both vocational educational components. Due to these educational components, **Summer Daze and Bicycle Brews campers must register for a minimum of 6 weeks.** HISRA staff will determine appropriateness for vocational programs.

Over the course of 8 weeks in June and July, Summer Daze and Bicycle Brews participants will run a donation-based coffee shop at Bicycle Safety Town in Peoria. This unique program not only gives them hands-on experience in customer service, teamwork, and time management, but also allows them to engage with the community in a meaningful way, building both their confidence and practical skills for future employment.

HISRA SUMMER DAZE (AGES 13-21)

Are you looking for a fun way to stay active this summer and make new friends and memories? Would you like to swim, hike and explore what Central Illinois has to offer? Then our Summer Daze program might just be for you! Summer Daze is designed for campers aged 13 – 21 who are independent in self care skills. Please speak to our Program Supervisor to determine camper eligibility. Campers will need to be able to keep up with the high-paced day that will consist of various physical activities such as walking, swimming, hiking, playing sports games, etc. Be sure to bring appropriate clothes and footwear to camp, as well as a drink and sack lunch daily. Summer Daze is a community-based camp and is held at Bicycle Safety Town in Peoria. Space is limited, so be sure to sign up early!

They will learn fundamental employment skills as well as specific skills needed to be employed in a coffee shop environment, with a program ratio of 1 staff : 4 campers. The program will be taking 2-3 field trips each week that will be both social and educational in nature, and fun, of course!
