FROM US, TO YOU

Dear Families and Friends,

The crisp air and changing colors of the season bring a wonderful opportunity to welcome you to the Fall 2026 season with the Heart of Illinois Special Recreation Association (HISRA). Whether you are a returning participant or joining our community for the first time, we are thrilled to embark on another season of growth, connection, and meaningful recreation with you.

At HISRA, we believe that recreation is about more than just activities—it is about fostering a true sense of belonging and community. This fall, we are proud to offer a lineup of inclusive opportunities designed to meet every participant where they are. From the creative fun of Pumpkin Carving and Adult Maker Nights to seasonal highlights like our Annual Halloween Dance, Pie Tasting and Friendsgiving, there is something for everyone to enjoy.

Our commitment to inclusion remains a cornerstone of our mission. Our inclusion services continue to support individuals across both HISRA-led activities and member park district programs, ensuring everyone has the chance to participate and succeed. We are also excited to continue our athletic traditions, including Special Olympics Basketball and Pre-Season Training, which provide supportive environments for athletes to build confidence and teamwork.

As we move into the latter part of the year, we look forward to the laughter and lifelong memories we will create together. Thank you for being an essential part of the HISRA family and for allowing us to be a part of your journey.

Warm Wishes,
Katie Van Cleve, Executive Director

CENTER BASED

Center Based programs are hosted at HISRA's facility on North Pioneer Road in Peoria. They provide a safe, fun environment for our participants to hang out, make friends and engage in a wide variety of exciting activities.

Sensory Considerations for Center-Based Programming

Please be advised that our center-based programming may involve activities with more than 20 participants in attendance. As a result, the environment can become loud at times, with various sensory stimuli including, but not limited to: flashing lights, games with timers, music playing, active movement and noise from group participation, etc.

We strive to create an inclusive and enjoyable experience for all participants. However, we understand that these conditions may not be suitable for individuals with certain sensory sensitivities. If you have any concerns or require specific accommodations, including specialized dietary requirements, please contact us in advance and we will do our best to support your needs.

COMMUNITY BASED

Community Based programs provide the perfect opportunity for our participants to explore the community, see what Central Illinois has to offer and to make memories with friends.

Considerations for Community-Based Programming

Please note that some community-based programming takes place outdoors and participants may be exposed to various weather conditions, including but not limited to: rain, sun, wind, cold or hot temperatures. HISRA cannot control the environment, and activities will proceed as planned unless weather conditions pose a significant safety risk. We encourage participants to dress appropriately for the weather and bring any necessary items such as sunscreen, hats, rain gear, or extra layers.

While we strive to ensure a safe and enjoyable experience for all, please be aware that outdoor environments may present unpredictable elements. If you have any concerns or specific needs regarding weather conditions, please contact us in advance so we can discuss accommodations.

In addition, HISRA cannot control the environmental factors such as loud noise, smells, flashing lights, etc in community based programming. Please explore or get in touch with a new facility prior to attending to ensure your participant's success in a particular facility or program.
